

Alberta 5 Pin Bowlers Association

PROCEDURE LIST for DRESS CODE ENFORCEMENT

The following procedures shall be followed to determine whether or not a bowler's clothing meets the current Alberta 5 Pin Bowlers Association Dress Code requirements and what must be done when a violation occurs.

1. The Dress Code Scrutinizer(s) look at the bowler's attire, including shirt / blouse / sweater / pants / shorts / capris / skirt and skorts, under the normal bowling centre lighting from a distance of approximately 10 (ten) feet.
2. The Scrutinizer(s) must answer the following questions to determine conformity, or not, to the Dress Code.
 - a) Are the pants / dress shorts / capris / skirt / skort a solid color? Or is the colour in the pattern a primary zone colour?
 - b) Do the pants / dress shorts / capris / skirt / skort conform to the length & style required? i.e. must cover at least $\frac{3}{4}$ (three-quarters) of the thigh and not rugby style, not track pants, etc.
 - c) Are the pants / dress shorts / capris/ skirt / skort noticeably made of the required fabric? i.e. Not denim, etc.
 - d) Does the shirt / blouse / sweater conform to the requirements? i.e. Sleeves / collar / neckline?
 - e) Are all items clean of any derogatory or offensive wording, designs or logos?
3. Answering YES to all questions means the bowler's attire conforms to the Dress Code. Answering NO to any question means the Scrutinizer(s) may take a closer look at what appears to be a Dress Code violation.
4. Upon closer examination of the violating article of clothing, by looking only, no feeling of fabric, looking at labels, etc, the Scrutinizer(s) must determine whether or not the clothing adheres to the Dress Code or not.
5. If the clothing does not violate the Dress Code, the bowler can continue in the competition.
6. If the clothing violated the Dress Code, the Scrutinizer(s) must inform the bowler of the following:
 - a) What article of clothing violates the Dress Code and why.
 - b) Explaining the bowler's options of:
 - i) Removing the violating article of clothing and changing into an article of clothing that does not violate the Dress Code, or;
 - ii) Continue to wear the violating article of clothing and accepting that the bowler's zone will be levied the prescribed fine for violating the Dress Code.
 - c) The bowlers shall NOT be disqualified from the competition.
